WHY CHOOSE LYSAGHT LIVING®?

1. EXPERTISE AT EVERY STAGE

From utilising the latest design software to smoothing council approvals, we'll ensure your home add-on doesn't add any stress!

2. THE WORLD OF COLOUR

The wide array of COLORBOND® steel colours allows you to seamlessly match existing features like roofing, guttering and downpipes.

3. STRONG FOUNDATIONS

Australian-made COLORBOND® steel is manufactured to exact Australian standards and tested in some of the country's harshest climates.

4. THE FLAWLESS FINISH

Advanced COLORBOND® steel paint technology provides a durable finish resistant to peeling, chipping and cracking.

5. PRECISION ENGINEERING

Cleverly engineered connectors and brackets are pre-welded and drilled to cut down construction time. Backed by a 20-year structural performance warranty.

TALK TO OUR EXPERTS

Although our national network of dealers can visit your home to measure and design the perfect outdoor solution, you can also bring in your plans to one of our LYSAGHT® branches if you're building or renovating. Your fully-costed, LYSAGHT LIVING® design is expertly prepared and also becomes the documentation required for council approvals.

When it comes to installation, simply ask your builder to use a LYSAGHT LIVING® kit, or contact us to help you find a local builder. You can also opt to DIY. All outdoor additions are delivered as a ready-to-assemble kit complete with instructions and LYSAGHT LIVING® SmartParts™ to simplify your installation.
